

2017 Beginner/Amateur Kart Racing School

Oakland Valley Race Park
July 17th – July 20th
July 24th – July 27th
August 14th – August 17th
9am-3pm each day

Oakland Valley Race Park is pleased to announce three 4 day long Summer Camp kart racing schools this July & August. The schools are designed for junior drivers between the ages of 6 to 18 with little but some experience in kart racing, either indoor or outdoor. Drivers will get to experience full 60mph+ Rotax karts learning all the techniques and tricks of outdoor racing. Also open to participants with their own karts minus the rental fee.

Over the course of the four days you will develop the skills of racing outdoors with things such as understanding and finding the racing line, braking techniques, passing sessions, defending and race craft. This along with classroom training each day, video analysis and some fun fitness activities around the track makes for a fantastic learning experience. We forgot to mention if it rains well we keep on going.

Each day will run from 9am-3pm with drivers being split into two groups. While one group is on track the other is in the classroom learning the next step.

The camp will be lead by chief instructor Stevan McAleer a former four times Scottish Karting Champion. 2012 Mx5 Playboy Cup Champion and 2015 IMSA Continental Tire Series ST Champion ensures that each participant gets the most out of the experience.

Sign up cost is \$1275 per driver and is limited to 20 racers per school. (\$750 school fee with a \$525 kart rental fee). Snacks and drinks are included with lunch able for purchase each day. OVRP will provide race gear but strongly recommended to bring your own if you have it to minimize sharing. If interested in signing up please complete the form attached and email to stevanmcaleer43@hotmail.com

Looking forward to three great and memorable events.
